

iOS Developer (m/f)

This is your opportunity to live and work in one of these great places: Hamburg, Barcelona (mytaxi), Bucharest (CleverTaxi) or Athens (Beat)! We are one big “taxi app family” and with our world class engineering teams **we are transforming the future of urban mobility!** And we are looking for you!

Are you a talented iOS Engineer (m/f) who has a deep understanding of the iOS mobile device, with excellent problem solving skills?

Do you love technical challenges?

You like to build an amazing product of international reach?

You want to be part of our constantly growing world class engineering teams?

...then let's transform the future of urban mobility together!

What you'll do:

- Be involved with a variety of projects to extend and enhance our iOS applications.
- Participate in the entire app development life cycle from project and feature setup to app store deployment.
- Identify and solve complex technical issues as they arise.
- Working in a motivated and innovative team with flat hierarchies

What you'll bring:

- Bachelor's degree in computer science is preferred.
- 3+ years of software development experience.
- At least 2 years of native iOS app development experience.
- Strong development skills in Objective-C, Swift and good general programming and algorithm skills.

What's in it for you:

- You will join a global team of top engineers and seasoned entrepreneurs for the challenge of a lifetime
- Our teams organise themselves in established agile working environments and everyone works flexibly and independently
- Our employees are routinely challenged to solve large-scale, highly complex technical problems. You will be stretched, but will learn best practice at scale in our creative and fun environment!
- Open communication and a fair feedback culture come naturally to us
- A lot of location based goodies

Who we are:

- **mytaxi** is the leading e-hailing app in Europe, available in over 75 cities within 11 European countries.
- **Beat** is now part of mytaxi and started its life six years ago as Taxibeat in Athens and three years ago expanded its operations to Peru where it serves millions of rides every single month.
- **CleverTaxi** is now also part of mytaxi and is the first and leading Romanian e-hailing app established in 2010 operating in over 20 cities.

If you are now curious and want to build new on demand transport giants with please apply via: <https://boards.greenhouse.io/mytaxigroup#.WcN8ftOrTUJ> and let us know which location you are interested in for your new job challenge.
